On 5<sup>th</sup> September 2017, Teacher's Day was celebrated with high enthusiasm at NIPER-A. To dedicate the eve towards the teachers and appraise the role of a teacher in our life, an event was planned by students of NIPER-A which started at 4:30 pm. All faculty members and non-teaching staff were welcomed by students with sets of pink balloons and roses. The event started with a prayer and a welcome song by Ms Aishwarya Dasare and Ms Arati Zagade. The live and humorous anchoring by MS student Ms Kanchan Vats and Namrata Prajapati added the live-hood and fun to the event. The teaching and non-teaching staff introduced in riddles and students in the audience side were asked to guess the faculty members. Astonishingly, students promptly recognized the teachers with exact matching with the riddles. Following this, faculty members were called upon the stage and presented with mementos by students. Some fun-filled games were organised for teacher's which included musical chair and antakshari. The event ended with a merry note from students and teachers with distribution of sweets and snacks! A Teacher presents the past, reveals the present, and creates the future.

A good teacher can inspire hope, ignite the imagination, and instil a love of learning
