## MESSAGE

Ever since the launch of Swachh Bharat Mission by the Hon'ble Prime Minister on 2<sup>nd</sup> October, 2014, the issue of sanitation has been at the centre stage of the Government's development agenda. Observance of "Swachhata Pakhwada" by all Central Government Ministries and Departments is aimed at making the workplace clean, green and hygienic.

I am happy to note that the Department of Pharmaceuticals is observing Swachhata Pakhwada 2023 from 1<sup>st</sup> to 15<sup>th</sup> September, 2023. I am also happy to see that activities chalked out by the Department seek to involve, not only for its own employees, but also those working in its attached office, autonomous bodies and PSUs.

I call upon all Officers and staff to contribute their best efforts to achieve fruitful results during Swachhata Pakhwada 2023 and inculcate a habit of keeping their workplace clean and hygienic, which is integral to goal of Swachh Bharat.

(Dr. Mansukh Mandaviya)
