

"Dr. P. D. Sethi Award" for Best Research Paper (2008) on "Application of TLC/ HPTLC in Pharma, Herbal and other Analysis".

MONOGRAPHS:

THIRTY monographs on Indian System of Medicine (Single & Multiherbal Formulations) published by Dept. of AYUSH, Ministry of Health and Family Welfare, in The Ayurvedic Pharmacopoeia of India

CONFERENCES:

International

2. B.K. Chaudhary, A. Mahapatra*, B. Kansara, Poster presentation on Generation of Common Pharmacophore Hypothesis (CPH) for Protein Tyrosine Phosphatase 1B (PTP1B) Inhibitors using PHASE, Organized by The Ramanbhai Foundation 8th International Symposium on current trends in Healthcare during 2 Feb 2017 to 4 Feb 2017.

3. H. Jadav, A. Mahapatra*, N. Chauhan, Poster presentation on Synthesis and glucose uptake activation of 3 amino acid analogous of 1,4 Naphthoquinone, Poster presentation Organized by The Ramanbhai Foundation 8th

9. Anita Mahapatra, Oral presentation on Induction of p53 independent apoptosis via mitochondrial pathway by zerumbone analogues on human lungs and colon cancer cells. at International Conference on Recent Advances in Cancer Research-Therapeutics to Chemoprevention 8-9th February, 2012 by Central University of Gujarat, Gandhinagar. Received Prof. A.R. Rao Memorial Best Young Researcher Award for the Oral presentation

11. Nilesh Sindhav, Anita Mahapatra*, Manish Nivsarkar, Development analogues of 3ß-hydroxy-urs-12-ene-28-oic acid as potent anti-inflammatory agents, Poster presentation at International Symposium on Current Status & Opportunities in Aromatic and Medicinal Plants, held at CIMAP (CSIR), Lucknow, 2010
12. Seema Oran, Anita Mahapatra*, Manish Nivsarkar Anti-inflammatory activity of Madhuca indica, Poster presentation at International Symposium on Current Status & Opportunities in Aromatic and Medicinal Plants, held at CIMAP (CSIR), Lucknow, 2010

13. In vitro HIV-1 Reverse Transcriptase Inhibitory Activity of Naphthoquinones and Derivatives from Euclea natalensis. 33rd Congress of the South African Association of Botanists (SAAB), Univ. of Cape Town, South Africa, 2007.

16. Anita Mahapatra, U. V. Mallavadhani, New Flavonoids from the Leaves of Diospyros melanoxylon. Poster presentation at IUPAC International Conference on Biodiversity and Natural Products: Chemistry and Medical Applications, New Delhi, 2004

National

1. Glucose uptake activation in skeletal muscle (C2C12) cells by Cassia auriculata, National Conference on ‘Herbal drug research: opportunities and challenges’ organized by B. V. Patel PERD Centre, Ahmedabad, Nov. 5th - 7th, 2014

Poster presentation received 3rd prize

5. Major Metabolites Variation in Different Parts of Diospyros melanoxylon. Oral presentation at 11th Annual Conference of Orissa Chemical Society, Rourkela, 2000

7. Unusual Product Formation during Synthesis and Subsequent Rearrangement of two Building Blocks of Dibromotyrosine Based Natural
8. Hitherto Unreported Triterpenic Acids from Diospyros melanoxylon. National Symposium on Development in Natural Products, Oral presentation at Andhra University, 1997

Workshop:
1. Flash Chromatography and Impurity profiling, ORAL Presentation and Demonstration of Flash chromatograph with a standard method developed in the workshop on Impurity Profiling and its Applications during 21st - 22nd Sep., 2013 at B. V. Patel PERD Centre

Attended National Conferences - 2
1. Gujarat Pharma Conclave “Leveraging Growth thru’ Knowledge Networks” by FICCI, FDCA and Govt. of Gujarat on 12th April, 2012, Ahmedabad
2. “DST-Lockheed Martin India Innovation Growth Programme, 2012 Workshop by FICCI, India, Ahmedabad
