D. O. No. 2021/MOS(C&F)/..... 209.....

### MESSAGE

I am glad that Department of Pharmaceuticals is observing Swachhta Pakhwada during 01st - 15th September, 2021.

2. I have been informed that all the organizations under my Department i.e. National Institute of Pharmaceuticals Education & Research (NIPERs), Public Sector Undertakings (PSU), Pharmaceutical and Medical Devices Bureau of India (PMBI) are participating in the campaign. In addition, Pharmaceuticals/Medical Device companies and their associations are also participating to make India a clean country.

3. On this occasion, I would request all the stakeholders who are participating in the Swachhta Pakhwada to give special focus to avoid use of single plastic in their daily life. It not only hinders the natural flow of water but also pollutes our planet to a great extent.

4. On this occasion, I extend my good wishes for a successful Swachhta Pakhwada.
