MESSAGE

I am pleased to know that the Department of Pharmaceuticals is observing Swachhta Pakhwada from 01-15 September, 2021.

2. For the last one and a half year, our country has been facing corona pandemic which has impacted our life badly. Campaigns such as Swachhta Pakhwada not only motivate us to clean our surroundings but also play a great role to curb the effects of such calamities.

3. I have been informed that all the organizations under my Department are participating in the campaign with zeal. It is also a matter of pleasure that associations relating to Pharmaceuticals and Medical Devices are also joining the campaign.

On this occasion, I convey my best wishes for a successful event.

(Mansukh Mandaviya)
